STANDARD: Written policy, procedure and practice require all juveniles supervised by Kansas through the Interstate Compact on Juveniles who have been adjudicated or convicted in the sending/home state of comparable offenses outlined in K.S.A. 22-4902 shall register in Kansas according to the terms of the Kansas Offender Registration Act.

All Kansas juveniles supervised out-of-state through the Interstate Compact on Juveniles shall be required to register in the supervising state if applicable under the laws of the supervising state.

All juveniles leaving the state of Kansas, if adjudicated of an offense that requires the drawing and submission of a DNA sample, shall submit a DNA sample to the Kansas databank prior to leaving the state of Kansas. All juveniles entering the State of Kansas through ICJ are not required to submit a DNA sample.

All juveniles leaving the state of Kansas, if adjudicated of an offense that requires juvenile registration and the juvenile remains in Kansas for more than 10 days prior to leaving, the juvenile shall register prior to leaving the state of Kansas.

DISCUSSION: None.

NOTE: The standards and procedures set forth herein are intended to establish operational guidelines for community supervision agencies and their employees/contractors and juveniles under supervision. They are not intended to establish state created liberty interests for community supervision agencies or their employees/contractors, or supervised juveniles, or an independent duty owed by the Juvenile Justice Authority to community supervision agencies, or their employees/contractors, supervised juveniles or third parties. This standard and procedure is not intended to establish or create new constitutional rights or to enlarge or expand upon existing constitutional rights or duties.
